LODGE

Weddings

HILLSDALE COLLEGE

A full-page photograph of a wedding couple in a forest. The bride is wearing a white lace gown with a long train, and the groom is wearing a white shirt, a brown vest, and blue jeans. They are standing on a dirt path, surrounded by tall trees and green foliage. The lighting is warm and golden, suggesting late afternoon or early morning. The text 'Scenic Beauty' is overlaid in a large, elegant, gold-colored script font on the left side of the image.

Scenic Beauty

Whether you envision a serene lakeside wedding surrounded by northern Michigan forest, or a cozy winter ceremony in the warmth of a beautifully furnished lodge, Rockwell Lake Lodge will make a memorable destination for your special occasion.

Comfort

Guests can reserve the spaces of the entire Lodge, which include the vaulted-ceiling Great Room, ten luxurious guest suites, a conference room, and a dining room and patio for indoor or outdoor seating at meals or receptions.

Rockwell Lake Lodge sits on 672 pristine acres of woodlands, and one of the only remaining lakes in lower Michigan with an uninterrupted shoreline. Four guest cabins are available that sleep twelve each, as well as docks, kayaks, and boats for lake access, and miles of hiking trails weave throughout the property. Sunrises, sunsets, and starscapes set the scene for your storybook event.
